Brookland Valley Estate Cabernet Merlot 2020

95 Halliday Points- *"In 2022, the Swinney family bought Brookland Valley estate vineyard, 60ha all up, plus other assets such as the cellar door and restaurant from Accolade. The latter is leasing back the site and retaining the brand name with highly competent and dedicated Courtney Treacher leading the winemaking. This is a pristine and lovely wine, elegant and defined. All the regional flavours fill the mid-weighted palate but it is the fine tannins and lithe acidity that take this to another level."* - Jane Faulkner Published 08 April 2024
